

SUMMER BREAK HOMEWORK

CLASS 2

Dear parents,

Warm greetings !

We are sharing some tips to make the summer vacation a fruitful and happy period for you and your child.

- Converse with your child in english.
- Have at least one meal with your child. Teach him/her not to waste the food.
- Encourage your child to help you in small chores around the house.
- Allow your child to play outdoors. Comfortable life within the sofa will make him/her lazy.
- Keep your child away from the mobile phones, television, computers and other electronic gadgets.
